

THE IT SOC

2025 - 2026

What do we do

Support Sessions

Drop in help with anything - just like chatting to big brothers and sisters that have been in your situation before!

Days Out.

BBQ, Campfires, hikes, days out to interesting places

Guest Lectures

We got a range of guest lectures from across the Industry

DICE

A Cozy Board Game cafe near albert road. Nice place to forget about your stress

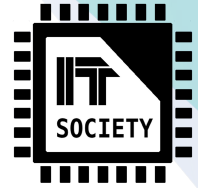

Skill Sessions

Help and Discussions with all elements of a programming language

Social Sessions

Fun quizzes and bring any game/console along to play and socialise with others.

Pub socials & Christmas dinners

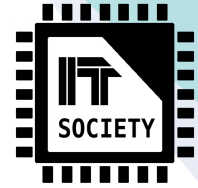

A friendly chat and a nice meal is a great way to spend an afternoon with mates.

Hackathons

Get creative, Make Something, Have fun

A map of Portsmouth and Southsea, England, showing a blue walking route. The route starts at the University Library, goes through the city center, and ends back at the University Library. The route is marked with a blue line and includes various landmarks and streets. The map is overlaid with text for a treasure hunt event.

Join the treasure hunt

12 Stop points taking around an hour to walk

Start at University Library / Start: University Library

Google Form will be released (at- prob not important) 5:30pm

Participate in groups or on your own

Points given for correct answers and time taken to complete it

The winners announced at 8pm - prizes to be won! (just rewording)
